reminiscent of the common shape of a bottle,

a vessel for all things fluid. European design and made.

Representing a shift in perception from the commonplace to the exceptional. The practical shape of the bottle when combined with a splash of Italian flair and panache becomes the pop icon of bathroom "must haves".

silicone pure to set your imagination streaming

10 year warranty - Italian made and design - WELS 3 Star 7.5L/min.

Fashionably water-wise the Drop shower is one of the most ironic yet practical eco-friendly shower heads on the market. Inspired by the shape of a water drop it is made of silicone giving it a thermal stability of up to 250 degrees and a high resistance to oxygen, ozone and sunlight.
