Soft and sinuous curves, but with dramatic overtones. A pleasing & original modern range that's functional above all else.  
Elegant, compact, and graceful - the 25mm cartridge makes it possible.

# harmonious proportions make it all possible

for you to take full advantage of every occasion for a designer touch.

10 year warranty - European made and design

**Ergonomic accessories also echo the** simple clean lines and capture the true spirit behind the design; better living that makes it more enjoyable to spend time in the places where you live everyday.

# reminiscent of the common shape of a bottle, battio

a vessel for all things fluid. European design and made.

**Representing a shift in perception** from the commonplace to the exceptional. The practical shape of the bottle when combined with a splash of Italian flair and panache becomes the pop icon of bathroom "must haves".

# silicone pure

to set your imagination streaming

# drop

10 year warranty - Italian made and design - WELS 3 Star 7.5L/min.

**Fashionably water-wise** the Drop shower is one of the most ironic yet practical eco-friendly shower heads on the market. Inspired by the shape of a water drop it is made of silicone giving it a thermal stability of up to 250 degrees and a high resistance to oxygen, ozone and sunlight.
